New for 2021

Unlike other farms we offer year-round flexibility: Once you buy a share, you can visit our farm store throughout our growing season and select only the veggies that you want whenever it's convenient. You also get a 5% discount off everything else in our well-stocked store! Keeping track of your share balance is easy- we'll issue you a prepaid debit card that automatically deducts your purchases.

Harvest Calendar (a sample of what we offer)

June Lettuces, Kale, Chard, Asian Greens, Peas, Beans, Radishes, Salad Turnips, Kohlrabi, Scallions, Garlic Scapes
